

## #EverydayEB Peer-to-Peer Tips: Organizing Bandages & Supplies

### Equipment Suggestions

Suggestions
Treatment table for changing dressings
Office cart with wheels and deep and shallow, colored drawers for dressings
Clear plastic bins (with lids) on shelves
Rolling cart
Bard-Parker #11 or #13 retractable, disposable scalpel

### Organizing Tips

Tips
One small bag in an emergency “go” bag; a small container for light wound care, a medium, and a large “we’re going to be here awhile” box
Designate drawers in the bedroom specifically for supplies
Have a medical specific corner of house
Make templates and cut bandages en masse
For caregivers, set-up can be done while patient is bathing
Make bath time fun time
